

Australian Dementia Network
REGISTRY. CLINICS. TRIALS.

By using the Australian Dementia Network (ADNeT) Neuropsychological Norming Tool (ANNT) you agree to the following:

- Neither you or the Memory and Cognition Clinic that you work within will claim that you own the ANNT.
- That any commercial or profit-making use of the ANNT is strictly prohibited.
- You will not make an offline copy of the ANNT for distribution to others.
- You will not reverse engineer or decompile the ANNT.
- You will not share the provided Username and Password with any colleague within your Memory and Cognition Clinic or external. You **MUST** redirect all new users of the ANNT to the ADNeT website where they can register for their use of the ANNT.
- The ANNT and any related processes stemming from the ANNT are provided on an "as is" and "as available" basis, without warranty of any kind, whether written or oral, express or implied. ADNeT disclaims all implied warranties, including but not limited to all warranties of title, non-infringement, merchantability and fitness for a particular purpose. ADNeT does not represent or warrant that the ANNT will meet user's needs or requirements, that any information obtained through use of the ANNT will be accurate or reliable, that use of the ANNT will be uninterrupted, timely, secure or free from error, or that all defects will be corrected.

If you violate the terms of this agreement, ADNeT has the right revoke your access and use of the ANNT and has the right to take legal action against you.
